Recent Updates (April 5th)

1. Another trip has been added (tentatively) on the following week: (Sat, Aug. 7 - Sat, Aug. 14) if there is sufficient interest. If you are interested only in Week 2, I will place your name on a waiting list until week 1 is filled.
2. Three people have made deposits for week #1, and one person has made a deposit for week #2; two others have indicated interest in week #2.

The proposed trip will be a sail around Isle Royale, leaving from Grand Marais, MN and returning to Grand Marais. We will anchor/dock each night in a wilderness setting, and will sail (a lot!) each day, with time for hiking or exploring in the morning or after anchoring in the afternoon. There will be many great photo opportunities. We will be aboard *ZaBreeNa*, a 36 ft Sabre sloop. Sleeping arrangements on *ZaBreeNa* limit the crew to 5 plus the captain, Dave Shores

This is an ambitious trip; the estimated total distance is 214 nm. All meals will be on board *ZaBreeNa*; there are no restaurants on Isle Royale. In the event of bad weather, we will hunker down in a harbor and re-assess the schedule. See: www.zabreena-sailing.com for some pictures of Isle Royale from previous trips, and more detailed description of *ZaBreeNa*.
